### Adios Amigo

**C//|///|G7//|C/** 3 beats to the bar

Adios amigo, adios my [G7] friend,  
The road we have travelled has come to an [C] end;  
when two love the same love one [F] love has to [C] lose,  
And it's [G7] you that she longs for  
It's [D7] you she will [G7] choose.

Adi-[C]-os compadre, what must be must [G7] be,  
Remember to name one muchacho for [C] me;  
I ride to the Rio where my [F] life I will [C] spend  
Adi-[G7]-os amigo, adi-[C]-os [G7] my [C] friend.

Adios compadre, let us shed no [G7] tears,  
May all your manyanas bring joy through the [C] years;  
Away from these memories my [F] life I must [C] spend  
Adi-[G7]-os amigo, adi-[C]-os [G7] my [C] friend.

*(Slowing down)* Adi-[G7]-os amigo,  
*(pause)* adi-[C]-os [G7] my [C] friend.
